EXTENSION REQUEST - REVIEW OF COUNTY PROCUREMENT PRACTICES (ITEM 4, AGENDA OF OCTOBER 23, 2012)

On October 23, 2012, your Board, on motion of Supervisor Yaroslavsky, instructed the Chief Executive Officer (CEO), Director of the Internal Services Department (ISD), the Director of Public Works, and County Counsel to:

- Conduct a review of County procurement practices and recommend changes as appropriate that will enhance the County's ability to procure products and services in the most cost effective, expeditious and fair manner possible;
- Include consideration of the use of draft requests for proposal (RFP) and other techniques to promote early exchanges of information in the procurement process in such review, particularly in high-profile and high-technology procurements; and,
- Have the Los Angeles Regional Interoperable Communications Systems (LA-RICS) Board consider incorporating the results of this review into those systems procurements for LA-RICS that have not already been authorized for release, to the extent feasible and practicable.

Through discussions with Board offices, additional contracting issues and questions have been identified. In response to these Board office requests, we are requesting a 60-day extension to further explore and respond to these issues.

If you have any questions regarding this request, please contact Frank Cheng of my staff at (213) 893-7938, or Joe Sandoval of ISD at (323) 267-2109.
